(Note: This information is associated with State Accountability Measures 1Sa(ii) and may pre-populate the State's annual report form)

The State office conducted face-to-face meetings with CEE Executive directors at least quarterly over the last 2 years. During these meetings, the CSBG Program Manager specifically asked for feedback and input on current CSBG policies and procedures including organizational standards implementation, monitoring procedures, procedures for awarding discretionary funding, ROMA system implementation, and the provision of training and technical assistance among other topics. The state association was also involved in these discussions. Prior to completion of the State Plan, the state office asked all CEE executive directors if anyone had specific requests or suggestions for changes to CSBG policy or the proposed plan for FY 2018-2019.

If this is the first year filling out the automated State Plan, skip the following question.

3.4b. Performance Management Adjustment:

How has the State adjusted State Plan development procedures under this State Plan, as compared to past plans, in order

- 1) to encourage eligible entity participation and
- 2) to ensure the State Plan reflects input from eligible entities?

(Note: This information is associated with State Accountability Measures 15b(i) and (ii) and may pre-populate the State's annual report form)

WV scored low on the 2015 ACSI in the Development of CSBG State Plan, and made significant adjustments to the way the program is administered, and especially to the level of participation expected from the eligible entities. Regular CSBG meetings with the CEE executive directors allowed for ongoing discussion on areas such as distribution of funds, use of discretionary funding, provision of training and technical assistance, monitoring procedures, regular communication. The meeting have been very successful, and encouraged dialogue in a cooperative environment to promoted positive change.

Describe the specific steps in the State's process for distributing 90 percent funds to the eligible entities and include the number of days each step is expected to take; include information about State legislative approval or other types of administrative approval (such as approval by a board or commission).

Ninety percent (90%) of the CSBG funds allotted to the State will be allocated to CSBG eligible entities based on the established formula. CEEs will have 30 days to complete and submit their application. The State will then review applications for completeness within 30 days. Once a CEEs application is approved, the State will issue a Grant Agreement and award notification to the CEE based on the level of funding received from ACF at that time. Typically, it will be a first quarter award. The State will not permit an entity to spend multiple allotments simultaneously. The distribution formula will be updated as new poverty data becomes available.

7.4. Distribution Timeframe:

Does the State plan to make funds available to eligible entities no later than 30 calendar days after OCS distributes the Federal award? Yes No

7.4a. If no, describe State procedures to ensure funds are made available to eligible entities consistently and without interruption.

Note: Item 7.4 is associated with State Accountability Measure 2Sa and may prepopulate the State's annual report form.

Once the State receives its Federal award letter, the CSBG Administrator provides a copy to the State fiscal office to set up the Federal award in the state accounting system OASIS, and notifies Eligible Entities of the award amount. West Virginia operates its CSBG program on a calendar year of January 1 through December 31, which means funding is delayed by 3 months. Since CSBG grants are two-year grants, this practice does not impede eligible entities from being able to draw down CSBG funds since they will be spending their 4th quarter allocation from October-December. Due to the uncertainty of when Federal awards will be received, this method allows the eligible entities to better plan program expenditures, and allows for consistent grant start dates from year to year. This process ensures that funds are provided upon request and without interruption. CSBG Eligible Entities apply for funding through an application process during October based on estimated award amounts. Applications are reviewed by the State office during November, and Grant Agreements and 1st quarter award notices are sent out in December for a January 1 start date. To ensure all funds are expended by the program completion date, the State works closely with agencies that are still spending carry-over funds after the 12th month of program operations. If needed, the State will approve a formal request from an eligible entity to extend the period of the grant beyond 12 months. Extensions will be granted in 3 month increments until all funds are spent. Agencies are not permitted to spend a new award until all previous year funds are completely spent. If an extension is needed, an agency must request a no-cost, time extension in the 11th month of the current program year in order to carry-over funds.

If this is the first year filling out the automated State Plan, skip the following question.

7.5. Performance Management Adjustment:

How is the State improving grant and/or contract administration procedures under this State Plan as compared to past plans? Any improvements should be based on analysis of past performance, and should consider feedback from eligible entities, OCS, and other sources, such as the public hearing. Fiscal Controls and Audits and Cooperation Assurance
10.11. Fiscal Controls and Accounting: Describe how the State's fiscal controls and accounting procedures will a) permit preparation of the SF-425 Federal fiscal reports (FFR) and b) permit the tracing of expenditures adequate to ensure funds have been used appropriately under the block grant, as required by Block Grant regulations applicable to CSBG at 45 CFR 96.30(a).
The State has established appropriate fiscal controls and accounting procedures that permit the accurate and timely preparation of the SF-425. Multiple reports are run from the State's accounting system (wvOasis). The information contained in these reports is used to prepare an initial SF-425. The SF-425 is then reconciled and reviewed before submission. Additionally, WVDO ensures staff possesses the required skills and knowledge necessary to prepare the SF-425. The CSBG Program Manager maintains an operational calendar with report deadlines and will work with fiscal staff to ensure the reports are submitted timely. To permit the tracing of expenditure adequate to ensure funds have been used appropriately under the block grant, as required by Block Grant regulations applicable to CSBG at 45 CFR 96361(a), the State conducts annual Fiscal Monitoring of eligible entities during which reported eligible entity expenditures are tested for allowability and internal controls and financial management systems are assessed.
10.12. Single Audit Management Decisions: Describe State procedures for issuing management decisions for eligible entity single audits, as required by Block Grant regulations applicable to CSBG at 45 CFR §75.521. If these procedures are described in the State monitoring protocols attached under item 10.2, indicate the page number. CLICK HERE FOR LINK TO 45 CFR §75.521
<i>Note: This information is associated with State Accountability Measure 4Sd.</i>
Applicable to CSBG at 45 CFR 75.521, CEE single audits are due to the State within 9 months of the end of the CEE's fiscal year. If the deadline is not met, the State sends the CEE a reminder notice and extension request form via mail. Once a CEE submits an extension request using the "Audit Report Extension Request" form, the State will review for approval or disapproval. This form will be signed by a State authorized employee and emailed to the CEE Executive Director. The State will verify when the audit was submitted to the Federal Clearinghouse, and note this on the "Annual Audit Chart", maintained by the Fiscal Compliance Monitor. If the audit has not been submitted to the Federal Clearinghouse, the State will send a reminder notice before reviewing the audit. The fiscal compliance monitor will review all audits using the "WVDO Subrecipient Audit Review Checklist." A "Subrecipient Audit Review Summary" is completed for the audit, and maintained on the WVDO shared drive. Depending on the results of the review, the State forwards to the CEE either (1) a letter indicating acceptance of the audit package or (2) a letter issuing a management decision and requesting a Corrective Action Plan. The CEE has 6 weeks to submit a Corrective Action Plan if applicable. If a CEE has not submitted the Corrective Action Plan within the deadline, the Corrective Action Plan "Reminder Email" will be forwarded to the Executive Director. Upon receipt of the Corrective Action Plan, the State will review and send to the CEE either an acceptance notice or another correspondence requesting modification to the Corrective Action Plan.
10.13. Assurance on Federal Investigations: Will the State "permit and cooperate with Federal investigations undertaken in accordance with Section 678D(a)" of the CSBG Act, as required by the assurance under Section 676(b)(7) of the CSBG Act? <input checked="" type="radio"/> Yes <input type="radio"/> No
<i>If this is the first year filling out the automated State Plan, skip the following question.</i>
10.14. Performance Management Adjustment: How is the State adjusting monitoring procedures in this State Plan as compared to past plans? Any adjustment should be based on the State's analysis of past performance, and should consider feedback from eligible entities, OCS, and other sources, such as the public hearing. If the State is not making any adjustments, provide further detail.
<i>Note: This item is associated with State Accountability Measure 4Sband may pre-populate the State's annual report form.</i>
The State has received positive feedback in meetings regarding the current monitoring procedures, and other than upkeep and regular review of policies, does not plan to

make significant adjustments to the procedures at this time.

- Another performance management system that meets the requirements of [Section 678E\(b\)](#) of the CSBG Act**
- An alternative system for measuring performance and results.**

13.1a. If ROMA was selected in Item 13.1, attach and/or describe the State's written policies, procedures, or guidance documents on ROMA.

The CEE certifies that all activities carried out with funds provided under the Grant Agreement shall report on each of the six national Results Oriented Management and Accountability (ROMA) goals and applicable outcome indicators as defined in the WV Outcome Framework. The ROMA System is woven into the entire design of the CSBG program in WV; from submission of annual grant applications by CEEs, to consistent data entry, documentation of services and outcomes, and regular reporting. The State is partnering with the WV Community Action Partnership to lead a new state ROMA Task Force designated to guide the direction of ROMA implementation among WV CSBG eligible entities (CEEs). The Task Force is made up of Nationally Certified ROMA Trainers (NCRTs) and NCRT candidates working to become trainers. Currently, 11 of 16 CEEs are represented on the Task Force. The State office has 2 NCRTs and the Association has 2 NCRTs that are also on the Task Force. See Attachment [WV IM_2015-5_ROMA Implementation Policy](#) for more information.

13.1b. If ROMA was not selected in Item 13.1, describe the system the State will use for performance measurement. [Narrative, 2500 characters]

13.2. Indicate and describe the outcome measures the State will use to measure eligible entity performance in promoting self-sufficiency, family stability, and community revitalization, as required under [Section 676\(b\)\(12\)](#) of the CSBG Act?

The CEE shall report all agency-wide unduplicated customer and household characteristics, demographics and outcome/indicator data in DBA FACS Pro. Data quality assurance measures and goals will be added to the State monitoring and performance review of all CEEs receiving CSBG funding. The CEE shall provide on a quarterly basis, timely, complete and accurate CSBG Information Survey (hereafter [AIS](#)) data via DBA FACS Pro. Data to be provided specifically is unduplicated customer and household characteristics and demographics as indicated in Section G of the IS; customer outcome/indicator projected and actual data. The CEE shall report unduplicated household characteristics and demographics, outcomes and indicators for all programs and services, not only those supported by CSBG. (ROMA Goals 1 and 6)

13.3. How does the State support the eligible entities in using the ROMA system (or alternative performance measurement system)?

Note: The activities described under Item 13.3 may include activities... listed in "Section 8: State Training and Technical Assistance." If so, mention briefly, and/or cross-reference as needed. This response will also link to the corresponding assurance, item 14.12.

The State supports the eligible entities in using the ROMA system by having 1 certified ROMA trainer on staff to provide ROMA training and technical assistance when needed. The State also utilizes a portion of the 5% CSBG discretionary funding to provide a statewide database system to the network that has been designed to function within the ROMA system; including the use of Logic Models, Scales and Matrices, tracking of services and results, planning and evaluation tools. The State provides regular training on the use of the data system. The State has also established a ROMA task force in cooperation with the WV Community Action Partnership that focuses on improving the ROMA system in the state for all CEEs and guiding state policy related to the ROMA system.

13.4. Eligible Entity Use of Data:

How is the State validating that the eligible entities are using data to improve service delivery?

Note: This response will also link to the corresponding assurance, Item 14.12.

As part of the CSBG Application for funding, a Community Action Plan is submitted that requires CEEs to report on their programs and where improvements need to be made. This is in combination with submission of ROMA Logic Models that provide data which is critical to a plan for improvement. The State mandates the use of an electronic statewide data reporting system that is a valuable resource of data. The system is equipped to produce regular grant reporting as well as ad hoc reporting of any data point entered into the system. The State also recognizes that additional oversight and work needs to be done to ensure that this process takes place on a local and state level, and is working to make significant improvements to this system through the implementation of ROMA Next Generation and the new annual reporting requirements for CSBG.

Community Action Plans and Needs Assessments

13.5. Describe how the State will secure a Community Action Plan from each eligible entity, as a condition of receipt of CSBG funding by each entity, as required by [Section 676\(b\)\(11\)](#) of the CSBG Act.

Narrative response to determine if the program addresses a need identified in the entity's most recent Community Assessment? Includes why the agency is providing this program to the community. If the need was not identified in the recent Community Assessment, an explanation is required. J. Includes the goals of the program/initiative? If this is a recurring program, explains how the goals of the previous program year were or were not met. K. If the goals were not met, the plan includes the entity's plans to ensure that goals are met for the plan year? L. CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645 (a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

 1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.

 2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.

 3. For grantees other than individuals, Alternate I applies.

 4. For grantees who are individuals, Alternate II applies.

 5. Workplaces under grants, for grantees other than individuals, need to be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.

 6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).

 7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).

 8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

***Controlled substance* means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);**

***Conviction* means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;**

***Criminal drug statute* means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;**

***Employee* means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).**

Certification Regarding Drug-Free Workplace Requirements

Alternate I. (Grantees Other Than Individuals)

The grantee certifies that it will or will continue to provide a drug-free workplace by:

(b) Establishing an ongoing drug-free awareness program to inform employees about - -

(1) The dangers of drug abuse in the workplace;

(2) The grantee's policy of maintaining a drug-free workplace;

(3) Any available drug counseling, rehabilitation, and employee assistance programs; and

(4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

(c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

(d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will - -

(1) Abide by the terms of the statement; and (2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;

(e) Notifying the agency in writing, within 10 calendar days after receiving notice under paragraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

(f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted - -

(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).

(B) The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant:

Place of Performance (Street address, city, county, state, zip code)

Alternate II. (Grantees Who Are Individuals)

designates a central point for the receipt of such notices. When notice is made to such a central point, it shall include the identification number(s) of each affected grant.
